DEFINITIONS

DEGREE-CREDIT ENROLLMENT: Students in a program or taking courses which are creditable toward a credit-bearing diploma or certificate or an associate, bachelor's, master's, doctoral, or first-professional degree.

UNDERGRADUATE: Students enrolled in a four- or five-year bachelor's degree program, in an associate degree program, in a vocational or technical program that is normally terminal and results in formal recognition below the baccalaureate, or students who are not candidates for a degree or other formal award, although taking degree-credit courses designated by the institution as undergraduate level.

FIRST-PROFESSIONAL: Students enrolled in a professional school or program which requires at least two academic years of college work for entrance and a total of at least six years for a degree. This category only includes students taking courses in the following first-professional degree programs: Dentistry (D.D.S. or D.M.D. degree), Medicine (M.D. degree), Optometry (O.D. degree), Osteopathic Medicine (D.O. degree), Pharmacy (D. Phar. degree), Podiatry (Pod.D., D.P.) or Podiatric Medicine (D.P.M.) [include Chiropody], Veterinary Medicine (D.V.M. degree), Chiropractic (D.C. or D.C.M. degree), Law (LL.B. or J.D. degree), and Theological Professions (B.D. or M. Div.).

GRADUATE: Students who hold the bachelor's or first-professional degree or equivalent and are enrolled in graduate level curricula which lead to a certificate, master's or doctoral degree, or students who are not candidates for a graduate degree or certificate but are taking degree-credit courses designated by the institution as graduate level.

FULL-TIME: Those students whose academic load-course work or other required activity is at least 75 percent of the normal full-time load. Undergraduate students must carry at least 12 credit hours to be considered full-time, while graduate students must carry at least 9 credit hours. Graduate students enrolled in The City University of New York must carry at least 12 credit hours to be considered full-time.

PART-TIME: Those students whose academic load-course work or other required activity is less than 75 percent of the normal full-time load.

UNDERGRADUATE FIRST-TIME STUDENTS: Students who began their first academic year in a degree-granting institution after July 30, 1990 and are currently enrolled at the undergraduate level, either in a program or as an unclassified student. In addition to the traditional first-time student, this category includes students entering with advanced standing achieved through examination, completion of courses in nondegree-granting nursing schools, or college courses taken by high school students who were not formally enrolled in a college program.
